

*KJ Always*

*Final  
Project*

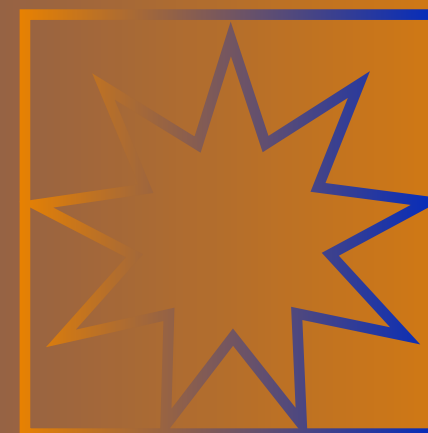

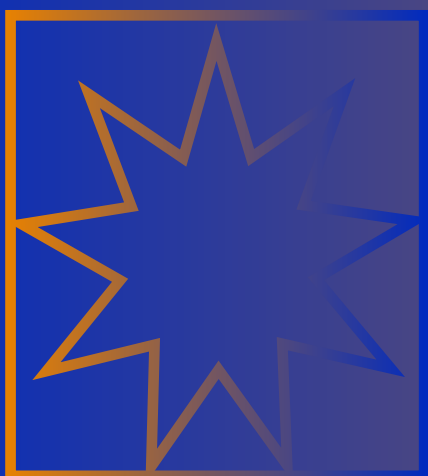

*This is a mixture of my  
influences from South-  
Florida and New  
Mexico, as all of our  
life's experiences com-  
bine and make us who  
we are today.*

*See the fishes  
swimming in  
Florida's ocean.*

*Life is like swimming  
enjoying the flow of  
life.*
